**BUILDING** FOR THE  
**GLORY OF GOD**  
GRACE CHURCH OF DUPAGE GYMNASIUM PROJECT

Before we attempt to give sacrificially to God's work we should make sure we're walking with Him in the most basic expressions of discipleship. Therefore, as we seek His leading for the amount we should trust Him to provide through us, we should ask ourselves the following questions:

1. Am I obeying God's Word faithfully?
2. Am I serving in God's church selflessly?
3. Am I fellowshiping with God's people diligently?
4. Am I sharing God's truth consistently and joyfully?
5. Am I giving to God's work regularly, proportionately, and cheerfully?
